Compassion

Mary is a four year old living in Kenya with her mother and four siblings. Mary enjoys ball games, playing dolls and colouring in. Her favourite colour is yellow and her favourite season is Christmas.

Mary's favourite food is ugali and meat stew. We will update you on Mary's progress in the next newsletter.

Twin-a-toilet

As we carry on researching ways to help those who are less fortunate, we found a brilliant charity called Toilet Twinning.

To find out more about Toilet Twinning please see the link below. We have twinned and paid £60 for a toilet to be made in the Democratic Republic of Congo.
