Hello!

Hello and welcome to our Autumn 2020 newsletter. What a year we have had! We haven't been able to send as much money as we had hoped, but we still sent some and every single penny makes a difference in the lives of the refugees in the Middle East and the Third World countries.

Stay safe!

Spreading the word

- If you are happy with the quality of service and standard of work we provide and would be happy to recommend us, or even put a review on the website we would greatly appreciate that.

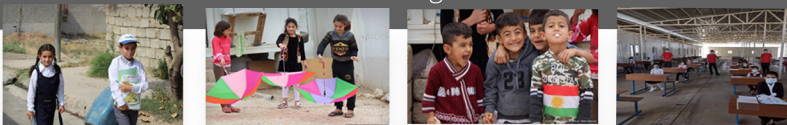

Home School

Parents having to home-school children has been an enormous challenge and all I can say is thank goodness mine are grown up because it would have been a train wreck in our house!

But what if the children had no school to ever go to, or any prospect of education at all?

We have been fortunate to be able to help support some refugee children by helping to provide some of the things they need for school like text books, pens, pencils etc... We also helped to provide fun but practical things like these colourful umbrella's.

And as you can see they are also able observe the safety rules of keeping safe through the use of PPE and social distancing.

Thank you!

Can we take this opportunity to say a massive thank you to all the key-workers and NHS front line staff! What would we do without you! We were honoured to be able to offer free ironing to these hero's during lock down.
